No sugary drinks logo for FIZZ

Guidelines for use

No sugary drinks logo for FIZZ

The logo is available in 3 colours, red, black and white, for use on different backgrounds, and can also be used at less than 100% opacity if necessary.
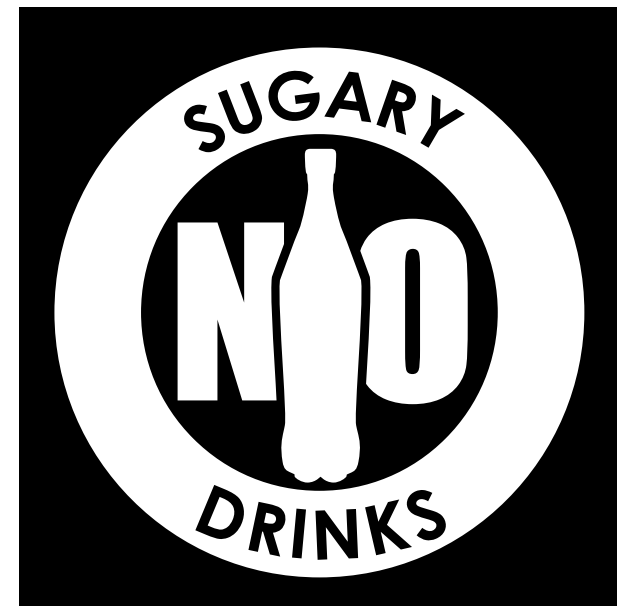

The following text should be used in conjunction with the logo.

This event has
This location has
This organisation has

Please select the option which is most relevant to your event or organisation.

Clear space

Please allow space equivalent to the radius of the outer circle between this logo and any other logos.

This spacing does not apply to the line of related text.

See example below:

Examples of use

Please use the logo version most appropriate for the background, ie white logo on dark backgrounds, black logo on light backgrounds.

Logo can also be used with reduced opacity in order for an image to show through.
